## New Horizons receives \$15,000 grant from Hobe Sound Community Chest

New Horizons has received a \$15,000 grant from the Hobe Sound Community Chest.

"The Community Chest has been a long-time supporter of New Horizons and our programs," CEO John B. Romano said. "This donation will be used to buy a vehicle for our Mobile Family Services Team, which works with families in the Hobe Sound community."

The Hobe Sound Community Chest funds social-services agencies.

Said Linda Wakefield, facilities manager: "We are

### HOBE SOUND COMMUNITY CHEST

thankful for this donation. The Chevy Impala we are using now is 11 years old and constantly needs maintenance."

Staff members will use the new car to drive children and their families to appointments with physicians and counselors, and other locations, as needed.

The Mobile Family Services Team provides

prevention and intervention services to families at risk of having their children removed from the home because of abuse or neglect.

Counselors work with the families for up to 60 days.

For more information about New Horizons, call (772) 488-4076, or visit the Web site at [www.nhtcinc.org](http://www.nhtcinc.org)
